1. Introduction

This Legacy Plan Template is provided to help competition organizers think about the long-term benefits and positive community impact that can result from hosting a World Taekwondo competition. It is intended as a supportive, guiding tool, not a mandatory requirement.

While submitting a legacy plan is strongly encouraged, especially for organizers interested in demonstrating leadership and contributing to World Taekwondo's sustainability and social responsibility efforts, it is not required.

Organizers who complete and submit their legacy plans will help World Taekwondo better understand, promote, and support meaningful legacies across the global Taekwondo community.

2. General Information

Member National Association	
Host City/Country	
Competition Name	
Competition Date	
Competition Location	

3. Sustainability Contact

4. Legacy plan

a) Please indicate your intended long-term benefits from this competition using checkboxes and short descriptions.

	Local community engagement
	Increased access to Taekwondo for underrepresented groups
	Development of local sports infrastructure
	Continued partnerships with community organizations
	Environmental benefits (e.g., ongoing recycling, venue energy improvements)
	Other
Brief description:	

b) Who are the key partners or community groups involved in delivering these legacy benefits?

Brief description:	
--------------------	--

c) How will you (or your partners) track progress on these legacy actions after the competition?

Brief description:	
--------------------	--

d) Would you be open to providing a short legacy update to WT 6–12 months after the competition?

	Yes
	No

5. Optional: Supporting Documents

If you have any existing community plans, partnership agreements, or photos of legacy activities, please attach them to your submission.
