1. Introduction

This template is designed to guide WT Member National Associations (MNAs) and competition organizers in planning, delivering, and evaluating sustainable Taekwondo competitions. It provides a clear structure for documenting planned actions aligned with the **World Taekwondo Sustainable Competition Management Tool (SCMT)**, while allowing flexibility for local adaptation.

The template is organized around the SCMT's six key themes, enabling organizers to consider actions across all areas of sustainable competition management:

- Theme 1: Competition Planning and Strategy
- Theme 2: Diversity, Equity, Inclusion (DEI) & Community
- Theme 3: Environmental Sustainability – Waste and Resource Management
- Theme 4: Environmental Sustainability – Transportation and Energy
- Theme 5: Health & Well-Being
- Theme 6: Legacy and Long-Term Impact

Each section includes practical checklists and short description fields to help organizers record planned actions that align with the Sustainable Development Goals (SDGs) and international best practices. This will support organizers in tracking progress, collecting data, and contributing to consistent, credible, and data-driven sustainability reporting.

This template is not intended to enforce rigid requirements. Rather, it is a practical tool to support organizers in identifying and implementing actions that strengthen sustainable competition management while creating a positive legacy for local communities and the environment.

2. General Information

Member National Association	
Host City/Country	
Competition Name	
Competition Date	
Competition Location	

3. Sustainability Contact

Name	
Position/Role	
Email	
Phone Number	

4. Planned Actions

Please indicate your planned actions under each theme using checkboxes and short descriptions.

Theme 1: Competition Planning and Strategy	
	Sustainability Contact Appointed.
	Sustainable Competition Management (SCM) Plan Completed (this document).
	Plan for Emission Data Collection.
Key Sustainability Goals for the Competition:	
Theme 2: Diversity, Equity, Inclusion (DEI) & Community	
	Engage local community groups (e.g., schools, NGOs).
	Ensure accessibility for people with disabilities.
	Involve volunteers from underrepresented groups.
	Include community-focused initiatives (e.g., donation drives).
Short description of planned actions:	

Please indicate your planned actions under each theme using checkboxes and short descriptions.

Theme 3: Environmental Sustainability – Waste & Resource Management

	Plan to reduce single-use plastics.
	Set up waste sorting and recycling systems.
	Donate unused materials to local communities.
	Source equipment with recycled content where possible.
Short description of planned actions:	

Theme 4: Environmental Sustainability – Transport & Energy

	Promote low-carbon transport options for participants.
	Use renewable energy where possible.
	Implement energy efficiency measures (LED, efficient HVAC).
	Reduce freight emissions, use green logistics.
	Assess venue climate resilience (shade, heat protocols).
Short description of planned actions:	

Please indicate your planned actions under each theme using checkboxes and short descriptions.

Theme 5: Health & Well-Being

	Provide mental health resources (onsite or remote).
	Offer healthy, sustainable menu options.
	Set up anti-doping education initiatives.
	Establish safeguarding measures.
Short description of planned actions:	

Theme 6: Legacy & Long-Term Impact

	Develop a legacy plan for post-competition benefits.
	Collaborate with local authorities or partners for continued impact.
	Commit to post-competition sustainability reporting (Appendix 1 - SCM Debrief).
Short description of planned actions:	

5. Appendix 1 – Sustainable Competition Management (SCM) Debrief

To complete your Post-Competition SCM Debrief, please scan the QR code or click the link below. This form will guide you in reporting your competition's sustainability outcomes in alignment with the WT Sustainable Competition Management Tool (SCMT).

- Please submit the debrief within 30 days after your competition concludes.
- If you have any questions, contact sustainability@worldtaekwondo.org.
