---

- 4.1 Head of team meeting and drawing of lots shall be conducted under the joint control of the Technical Delegate of the WTF and the OCOGs two (2) days prior to the first competition day.
- 4.2 Based on the WTF World Ranking as of July 1, 2016, top eight (8) athletes will be seeded in the order of their ranks, while the rest of the athletes will be drawn randomly.
- 4.3 There shall be no redraw even if two athletes are all disqualified in same bracket.
- 4.4 The seeded athletes of each weight division will be announced on WTF website at the earliest on July 10, 2016 after completion of entry submission process. In principle, 50% of the contestants shall be seeded. However, this number may be decreased to seven (7) for the weight division in which the host NOC chooses to participate. If the athlete from the host nation has not been seeded within the 4<sup>th</sup> places based on his/her World Ranking, he/she will be seed at the position of the 4<sup>th</sup>.
- The Olympic Games host nation's national federation shall receive four (4) automatic qualified athletes' places. All the four athletes shall be seeded in fourth place or higher if they individually hold a World ranking of 1 to 3 on the 1<sup>st</sup> July 2016. The host nation can choose **not** to accept the 4<sup>th</sup> place automatic seeding but this will apply to the whole of the host nation's team not just to certain individuals. The host nation's national federation must confirm its position no later than 31<sup>st</sup> May 2016.
- 4.5 After the announcement of seeded athletes, there shall be, in principle, no change of seeding order. In the case that the seeded athletes cannot compete due to some reasons, the next highest seeded athlete will take up the position, and so forth. Competition Method

---

- 5.1 Taekwondo competition at the Olympic Games shall be conducted in a single elimination tournament system with repêchage for the bronze medal contest. The winner of the final contest will receive the gold medal and the loser will receive the silver medal.

The repêchage shall be conducted among all contestants who lost to the two finalists in the elimination phase. In the repêchage, the losers of the semifinals during the elimination phase will be seeded directly to each of the repêchage finals, but on the opposite sides of the bracket. Other losers will advance to the repêchage unseeded, at the same side of the bracket in which they contested during the elimination phase.

The two winners of the repêchage finals (Bronze medal contests) will each receive a bronze medal.

The contestants who have been disqualified from the tournament based on disciplinary decision from Competition Supervisory Board cannot advance to Repechage.

- 5.2 In the event of a tied score, a 4<sup>th</sup> round of two minutes, also known as the sudden death round, will be conducted after a minute of rest following the 3<sup>rd</sup> round. Any points, be it *Gam-jeom* or *Kyong-go*, from the previous three rounds shall not be taken into consideration in the sudden death round.

When a contestant scores the first point in the sudden death round, he or she shall be declared the winner. When a contestant receives a *Gam-jeom* in the sudden death round, the opponent shall be declared as the winner.

In the event of a tied score after the end of the sudden death round, the winner shall be decided based on a decision of superiority by all refereeing officials for the initiatives shown in the sudden death round.

- 5.3 Official standing of each division shall be as follows:
- 1<sup>st</sup> place (Gold medalist): winner of the final contest

---

## STANDING PROCEDURES FOR OLYMPIC GAMES TAEKWONDO COMPETITIONS

---

- 2<sup>nd</sup> place (Silver medalist): loser of the final contest
- 3<sup>rd</sup> place (Bronze medalists): winners of the finals of repechage (bronze medal contest)
- 5<sup>th</sup> place: losers to the bronze medalists at the repechage final (bronze medal contest)
- 7<sup>th</sup> place: losers to the 5<sup>th</sup> placed contestant at the repechage
- 9<sup>th</sup> place: quarterfinalists who fail to advance either to semi-finals or repechage
- 11<sup>th</sup> place: contestants who lost at the preliminary phase and fail to advance to repechage
- Next position after 11<sup>th</sup> places athletes: Contestants who have not passed weigh-in or have been disqualified from the tournament.

5.4 In case that the both contestants are disqualified from the tournament, following measures shall be taken.

In the case that the above situation happens in one of the semifinals, the losers to the two disqualified semi-finalists in the round of 16 shall advance to repechage in same side of bracket to compete against each other. Additionally, both losers to the two disqualified semi-finalists at the quarterfinal round shall advance to the repechage in the opposite bracket to compete against each other. Consequently, the number of repechage matches including bronze medal contests may be subject to change based on the situation.

The winner of the other semifinal contest shall be automatically declared the winner of that particular weight division without further contest as no contestant from the match of the two disqualified contestants shall advance to the final. In this case, no 2<sup>nd</sup> place award shall be given. The contestant who lost to the advancing finalist in the (clean) semifinal will be awarded a “bye” and seeded directly to the bronze medal contest (repechage final) on the opposite side of the bracket. The losers in both the round of 16 and the quarter-final matches of the winner of the weight class shall advance to the repechage on same sides of the bracket.
